## **MATERIAL SAFETY DATA SHEET**

### **Section 1. Product and Company Identification**

|               |                       |       |           |
|---------------|-----------------------|-------|-----------|
| Product Name: | Body Drench Cool Rain | DATE: | 6/11/2007 |
| Formula:      | 30-3095               | REV.  | NEW       |
| Item#:        |                       |       |           |

Manufacturer: American International Industries  
2220 Gaspar Ave  
Los Angeles, CA 90040  
Chem-Tel: (800) 255-3924

### **Section 2. Composition / Information on Ingredients**

#### **Hazardous Ingredients:**

| Component                | CAS # | % | TOXICOLOGICAL DATA |
|--------------------------|-------|---|--------------------|
| No Hazardous Ingredients |       |   |                    |

### **Section 3. Hazardous Identification**

#### **Potential Health Effects, Signs and Symptoms of Exposure:**

Primary Route of Entry: Eyes or skin

Eye: Contact could possibly irritate the eye.

Skin: Not considered to be hazardous.

Ingestion: Avoid.

Inhalation: Not considered to be hazardous.

### **Section 4. First Aid Measures**

First Aid for Eye: Flush with water for 15 minutes, including under eyelids. Seek medical attention if discomfort persists.

First Aid for Skin: Wash off affected areas with plenty of water, if discomfort or irritation occurs.

First Aid for Inhalation: Remove to fresh air. Seek medical attention if discomfort persists.

First Aid for Ingestion: Rinse mouth out with water. Only induce vomiting if directed by a physician. Never give anything by mouth to an unconscious person. Seek prompt medical attention.

### **Section 5. Fire Fighting Measures**

# MATERIAL SAFETY DATA SHEET

|                             |                                                                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Flash Point (°F/°C):        | Not applicable                                                                                                                                                                                |
| Flammable Limit (vol%):     | Not applicable                                                                                                                                                                                |
| Auto-ignition Temp. (vol%): | None Established                                                                                                                                                                              |
| Extinguisher Media:         | Water spray, foam, carbon dioxide, or dry chemical.                                                                                                                                           |
| Fire Fighting Instructions: | Wear protective clothing to prevent contact with skin and eyes.                                                                                                                               |
| Fire Fighting Equipment:    | Because fire may produce toxic thermal decomposition products, wear a self-contained breathing apparatus (SCBA) with a full face piece operated in pressure-demand or positive-pressure mode. |

### Section 6. Accidental Release Measures

|                              |                                                                      |
|------------------------------|----------------------------------------------------------------------|
| Spill or Release Procedures: | No special precautions necessary. Sweep up to avoid slipping hazard. |
|------------------------------|----------------------------------------------------------------------|

### Section 7. Handling and Storage

|           |                                                                                                                                                                        |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Handling: | Observe precautions found on the label. Wash face and hands thoroughly with soap and water after handling and before eating, drinking or smoking. Avoid contamination. |
| Storage:  | Store in a cool, dry place away from heat, sparks, flame and direct sunlight. Store away from combustibles and incompatible materials.                                 |

### Section 8. Exposure Controls / Personal Protective Equipment

Engineering Controls: An eye wash station and safety shower should be located near the work-station.

#### Personal Protective Equipment

Hand Protection: Use disposable nitrile, neoprene or butyl rubber gloves with repeated or prolonged use.

Eye Protection: With product at ambient temperatures, use safety glasses equipped with side shields.

Body Protection: Apron or slicker suit.

Respiratory Protection: Not required.

General Hygienic Practices: Avoid contamination of food, beverages, or smoking materials. Wash thoroughly after handling, and before eating, drinking or smoking. Remove contaminated clothing promptly and clean thoroughly before reuse.

### Section 9. Physical and Chemical Properties

|                            |                      |                          |                |
|----------------------------|----------------------|--------------------------|----------------|
| <b>Appearance @ 25°C:</b>  | Thin Baby Blue Cream | <b>Viscosity:</b>        | Not applicable |
| <b>Odor @ 25°C:</b>        | Neutral              | <b>Vapor Pressure:</b>   | Not applicable |
| <b>pH</b>                  | 6.8-6.3              | <b>Vapor Density:</b>    | Not applicable |
| <b>Specific Gravity:</b>   | Not available        | <b>Evaporation Rate:</b> | Not applicable |
| <b>Ignition:</b>           | Not applicable       |                          |                |
| <b>Total Solids, %</b>     | Not available        |                          |                |
| <b>Boiling Point /</b>     |                      |                          |                |
| <b>Freezing Point</b>      | Not applicable       |                          |                |
| <b>Solubility in Water</b> | Miscible             |                          |                |

### Section 10. Stability and Reactivity

**Stability:** Stable

**Hazardous Decomposition Products:**  
None.

**Incompatibility (Materials to Avoid):**  
None.

**Hazardous Polymerization:**  
Will not occur

**Conditions to Avoid:** Heat and open flames

### Section 11. Toxicological Information

**Acute Oral Toxicity:** No data available

**Acute Toxicity to Invertebrates:**  
No data available

**Acute Toxicity to Algae:**  
No data available

**Irritation - Skin:** No data available

**Irritation - Eye:** No data available

## *Product Discontinued*

# MATERIAL SAFETY DATA SHEET

Sensitization: No data available  
Mutagenicity: None  
Sub-chronic Toxicity: None

## Section 12. Ecological Information

### Ecotoxicological Information

Acute Toxicity to Fish: No data available

Acute Toxicity to Invertebrates: No data available

Acute Toxicity to Algae: No data available

Bioconcentration: No data available

Toxicity to Sewage Bacteria: No data available

### Chemical Fate Information

Biodegradability: No data available

Chemical Oxygen Demand: No data available

## Section 13. Disposable Considerations

May be disposed of in a landfill or incinerated. Follow Federal, State and Local regulations for disposal.

## Section 14. Transportation Information

### DOT (49CFR 172)

Proper Shipping Name: Non-Regulated Material

Identification Number: N/A

Marine Pollutant: No

Special Provisions: N/A

Emergency Response Guidebook (ERG)#: N/A

### IATA (DGR):

Proper Shipping Name: Non-Regulated Material

Class or Division: N/A
