PRODUCT NAME:	PRODUCT NUMBER:
Spordex® Single-Species Spore Mini Strips	NA501-28
SHIPPING INFORMATION:	NOT RESTRICTED

These products are NOT hazardous products according to the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Spordex® Single-Species Spore Mini Strips are inoculated with spores of *Bacillus atrophaeus* for ethylene oxide (EO) and dry heat use.

The Spordex® Single-Species Spore Mini Strips are free of latex and natural dry rubber products.

Spordex® Single-Species Spore Mini Strips do not contain any components derived from animal origin, do not come into contact with materials of animal origin and therefore complies with the "Note for guidance of minimizing the risk of transmitting animal spongiform encephalopathy agents via human Veterinary medicinal products (EMEA/410/01 Rev. 2-October 2003)."

In the case of accidental exposure, take the following precautionary measures:

EYES: Immediately flush eyes with plenty of water for 15 minutes. Get medical attention if irritation persists.

SKIN: Immediately wash with soap and water. Get medical attention if irritation develops.

INGESTION: Give water to drink and get medical advice.

INHALATION: Remove to fresh air. Get medical attention for any breathing difficulty.

Handling and Storage Precautions:

Store at a temperature of 2-24°C (36-75°F) and a relative humidity of 30-80%.

Avoid contact with, or storage near, sterilants or chemicals; e.g. any oxidizing or reducing agents such as formaldehyde, bleach, ammonia, etc. Do not use after the expiration date on the packaging.

Waste Disposal Methods: Biological indicators must be sterilized at 121°C [250°F] for 30 minutes or incinerated prior to disposal in accordance with federal, state, and local regulations.

The information on this sheet is not a specification and does not guarantee specific properties. The information is intended to provide general knowledge as to health and safety based upon our knowledge of the handling, storage and use of the product. It is not applicable to unusual or non-standard uses of the product or where instruction or recommendations are not followed.
