

## **MATERIAL SAFETY DATA SHEET**

---

**First Aid for Ingestion:** Ingestion should not cause significant health problems. If this material is ingested, and if the person is conscious, give large quantities of water to induce vomiting. Get medical attention.

**Note to Physician:** All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than talc may have occurred.

---

### **Section 5. Fire Fighting Measures**

---

**Flash Point (°F/°C):** Not applicable

**Flammable Limit (vol%):** Not applicable

**Auto-ignition Temp. (vol%):** Not applicable

**Extinguishing Method:** Material is non-combustible. Follow fire extinguishing procedures for surrounding combustibles.

**Fire Fighting Procedures:** Material is not-combustible. Follow fire fighting procedures for surrounding materials.

**Fire and Explosion Hazards:** Material is non-combustible and is not an explosion hazard.

**Hazardous Combustion Products:** None Known.

---

### **Section 6. Accidental Release Measures**

---

**Spill or Release Procedures:** Provide adequate ventilation. Cleanup personnel should use protective equipment to reduce eye contact, inhalation of dust and prolonged skin contact. Use vacuum suction with HEPA filters to clean up spilled material. Use wet sweeping or a dust suppressant where sweeping is necessary. Personal safety, handling and exposure recommendations described elsewhere in this data sheet apply to exposure during clean up of spilled material and must be followed.

---

### **Section 7. Handling and Storage**

---

**Handling & Storing:** Store to minimize or avoid dust generation. Store in clean, dry locations. Avoid damaging container.

---

### **Section 8. Exposure Controls / Personal Protective Equipment**

---

**Ventilation:** Provide adequate exhaust ventilation to meet exposure limit requirements. An exhaust filter system may be required to avoid environmental contamination.

## **MATERIAL SAFETY DATA SHEET**

---

**Respiratory Protection:** When established airborne exposure limits are surpassed, wear NIOSH/OSHA approved respiratory equipment for dust. Determine the appropriate type equipment for specific applications by consulting the respirator manufacturer. Observe the respiratory use limitations specified by NIOSM/OSHA or the manufacturer. In addition, respiratory protection programs must comply with 29CFR1910.134. Engineering or administrative controls should be implemented to reduce exposure.

**Hand Protection:** Leather or other impervious gloves.

**Eye Protection:** Safety glasses equipped with side shields or dust tight goggles.

**Other Protection:** Wear long sleeve clothing to prevent skin contact.

---

### **Section 9. Physical and Chemical Properties**

---

<b>Appearance @ 25°C:</b>	Colored powder	<b>Viscosity (RVT):</b>	Not available.
<b>Odor @ 25°C:</b>	Odorless	<b>Vapor Pressure:</b>	Not available.
<b>pH</b>	Not applicable	<b>Vapor Density:</b>	Not available.
<b>Specific Gravity:</b>	Not applicable		
<b>Solids, %:</b>	Not applicable		
<b>Melting Point:</b>	Not applicable		
<b>Boiling Point:</b>	Not available		
<b>Solubility in Water</b>	Insoluble		

---

### **Section 10. Stability and Reactivity**

---

**Stability:** Stable under normal conditions.

**Hazardous Decomposition Products:**  
None Known.

**Incompatibility (Materials to Avoid):**  
None in designed use.

**Hazardous Polymerization:**  
Hazardous polymerization will not occur.

**Conditions to Avoid:** Water and moisture.

---

### **Section 11. Toxicological Information**

---

**Inhalation Effects:** No data available

# **MATERIAL SAFETY DATA SHEET**

---

Dermal Effects: No data available

Eye Effects: None Known.

Ingestion Effects: None Known.

Other Effects: None Known.

---

## **Section 12. Ecological Information**

---

No information is currently available on this material.

---

## **Section 13. Disposable Considerations**

---

If this material becomes a waste, it does not meet the criteria of a hazardous waste as defined under the resource conservation and recovery act (RCRA 40 CFR 261, since it does not have the characteristics of subpart C, nor is it listed under subpart D. State or local hazardous waste regulations may apply if they are different from the federal regulations.

---

## **Section 14. Transportation Information**

---

### **<DOT Information>**

Proper Shipping Name (49CFR 172.101):	Non Regulated Material
Hazard Class:	Not required.
UN/NA:	Not required.
Packing Group:	Not required.

---

## **Section 15. Regulatory Information**

---

Regulatory information available upon request.

---

## **Section 16. Other Information**

---

Additional information available upon request.
