AMERICAN INTERNATIONAL INDUSTRIES

MATERIAL SAFETY DATA SHEET

Section 1. Product and Company Identification

Product Name:	Ardell Brow Defining Powders (Dark Brown, Soft Black, Soft Taupe)	DATE: REV:	11/15/2010
Formula:	N/A		
Item#:	68055, 240061; 68046, 240063; 68054, 240060		
Manufacturer:	American International Industries 2220 Gaspar Ave Los Angeles, CA 90040		
Chem-Tel:	(800) 255-3924		

Section 2. Composition / Information on Ingredients

Hazardous Ingredients:

Component	CAS #	%	Exposure Limits ppm	
			ACGIH	OSHA
Talc (non-asbestiform)	14807-96-0	30 - 70	TLV: 2 mg/m³, respirable fraction	PEL: 20 mppcf, containing < 1% quartz

Section 3. Hazardous Identification

Potential Health Effects, Signs and Symptoms of Exposure:

Primary Route of Entry:	Eyes, skin, ingestion or inhalation
Emergency Overview:	Dust may cause mechanical irritation to eyes and respiratory tract.
Inhalation Acture Exposure Effects:	Inhalation of dusts may cause sneezing, coughing and nose irritaiton.
Inhalation Chronic Exposure Effects:	Long-term excessive exposures may cause talcosis, a pulmonary firborsis which may lead to severe and permanent damage to the lung - possibly resulting in disability or death.
Eye:	Abrasion may cause eye irritation.
Skin:	The abrasivesness of talc may cause skin irritation.
Ingestion:	May cause mild irritation of gastrointestinal tract.
Medical Conditions Aggrevated by Exposure:	Pre-existing chronic respiratory, skin, or eye diseases.
Carcinogenicity:	Not listed with NTP, IARC, or OSHA as a known or suspected carcinogen.

Section 4. First Aid Measures

First Aid for Eye:	Flush eyes with plenty of water for at least 15 minutes. If irritation persists, seek medical attention.
First Aid for Skin:	Wash from skin with mild soap and water.

First Aid for Inhalation:	Remove exposed person to fresh air. If symbptoms such as excessive sneezing or coughing develop, seek medical attention.
First Aid for Ingestion:	Ingestion should not cause significant health problems. If this material is ingested, and if the person is conscious, give large quantities of water to induce vomiting. Get medical attention.
Note to Physician:	All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than talc may have occurred.

Section 5. Fire Fighting Measures

Flash Point (°F/°C):	Not applicable
Flammable Limit (vol%):	Not applicable
Auto-ignition Temp. (vol%)	Not applicable
Extinguishing Method:	Material is non-combustible. Follow fire extinguishing procedures for surrounding combustibles.
Fire Fighting Procedures:	Material is not-combustible. Follow fire fighting procedures for surrounding materials.
Fire and Explosion Hazards:	Material is non-combustible and is not an explosion hazard.
Hazardous Combustion Products:	None Known.

Section 6. Accidental Release Measures

Spill or Release Procedures:	Provide adequate ventilation. Cleanup personnel should use protective equipment to reduce eye contact, inhalation of dust and prolonged skin contact. Use vacuum suction with HEPA filters to clean up spilled material. Use wet sweeping or a dust suppressant where sweeping is necessary. Personal safety, handling and exposure recommendations described elsewhere in this data sheet apply to exposure during clean up of spilled material and must be followed.

Section 7. Handling and Storage

Handling & Storing:	Store to minimize or avoid dust generation. Store in clean, dry locations. Avoid damaging container.

Section 8. Exposure Controls / Personal Protective Equipment

Ventilation:	Provide adequate exhaust ventilation to meet exposure limit requirements. An exhaust filter system may be required to avoid environmental contamination.

Respiratory Protection:	When established airborne exposure limits are surpassed, wear NIOSH/OSHA approved respiratory equipment for dust. Determine the appropriate type equipment for specific applications by consulting the respirator manufacturer. Observe the respiratory use limitations specified by NIOSM/OSHA or the manufacturer. In addition, respiratory protection programs must comply with 29CFR1910.134. Engineering or administrative controls should be implemented to reduce exposure.
Hand Protection:	Leather or other impervious gloves.
Eye Protection:	Safety glasses equipped with side shields or dust tight goggles.
Other Protection:	Wear long sleeve clothing to prevent skin contact.

Section 9. Physical and Chemical Properties

Appearance @ 25°C:	Various colored powders	**Viscosity (RVT):**	Not available.
Odor @ 25°C:	Characteristic	**Vapor Pressure:**	Not available.
pH	Not applicable	**Vapor Density:**	Not available.
Specific Gravity:	Not applicable		
Solids, %:	Not applicable		
Melting Point:	Not applicable		
Boiling Point:	Not available		
Solubility in Water	Insoluble		

Section 10. Stability and Reactivity

Stability: Stable under normal conditions.

Hazardous Decomposition Products:
None Known.

Incompatibility (Materials to Avoid):
None in designed use.

Hazardous Polymerization:
Hazardous polymerization will not occur.

Conditions to Avoid: Water and moisture.

Section 11. Toxicological Information

Inhalation Effects: No data available

Dermal Effects:	No data available
Eye Effects:	None Known.
Ingestion Effects:	None Known.
Other Effects:	None Known.

Section 12. Ecological Information

No information is currently available on this material.

Section 13. Disposable Considerations

If this material becomes a waste, it does not meet the criteria of a hazardous waste as defined under the resource conservation and recovery act (RCRA 40 CFR 261, since it does not have the characteristics of subpart C, nor is it listed under subpart D. State or local hazardous waste regulations may apply if they are different from the federal regulations.

Section 14. Transportation Information

<DOT Information>

Proper Shipping Name (49CFR 172.101):	Non Regulated Material
Hazard Class:	Not required.
UN/NA:	Not required.
Packing Group:	Not required.

Section 15. Regulatory Information

Regulatory information available upon request.

Section 16. Other Information

Additional information available upon request.
