COMP 18oz, 18oz CA

Chlorhexidine gluconate 4% Solution

### **Purpose**

Antiseptic

### **Uses**

- **healthcare personnel handwash:** helps reduce bacteria that potentially can cause disease
- **skin wound and general cleansing**

### **Warnings**

**For external use only**

#### **Allergy alert:**

This product may cause a severe allergic reaction. Symptoms may include:

- wheezing/difficulty breathing
- shock
- facial swelling
- hives
- rash

If an allergic reaction occurs, stop use and seek medical help right away.

#### **Do not use**

- if you or the patient is allergic to chlorhexidine gluconate or any other ingredient in this product
- in contact with meninges
- in the genital area

#### **When using this product**

- keep out of eyes, ears, and mouth. May cause serious and permanent eye injury if permitted to enter and remain in the eye or may cause deafness when instilled in the middle ear through perforated eardrums
- if solution should contact these areas, rinse out promptly and thoroughly with water
- wound which involve more than the superficial layers of the skin should not be routinely treated
- repeated general skin cleansing of large body areas should not be done except when the advised by a health care provider

#### **Stop use and ask a doctor**

if irritation, sensitization, or allergic reaction occurs. These may be signs of a serious condition.

#### **Keep out of reach of children**

If swallowed, get medical help or contact a Poison Control Center right away.

#### **Directions**

- use with care in premature infants or infants under 2 months of age. These products may cause irritation or chemical burns.

#### **Healthcare personnel handwash:**

- wet hands with water
- dispense about 5 ml of product into cupped hands and wash in a vigorous manner for 15 seconds
- rinse and dry thoroughly

#### **Skin wound and general skin cleansing:**

- thoroughly rinse the area to be cleaned with water
- apply the minimum amount of product necessary to cover the skin or wound area and wash gently
- rinse again thoroughly

#### **other information**

- store at 20-25 C (68-77 F)
- avoid excessive heat above 40 C (104 F)

#### **Inactive ingredients**

cocamide DEA, fragrance, glucono-delta-lactone, hydroxyethylcellulose, isopropyl alcohol, lauramine oxide, PEG-75 lanolin, purified water, tridecyl alcohol

\*This product is not manufactured or distributed by Mölnlycke Healthcare, owner of the registered trademark Hibiclens®.

**Warning:** This product can expose you to coconut oil diethanolamine condensate (cocamide diethanolamine), which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.gov](http://www.P65Warnings.gov)

**Laundering/Cleaning Instructions:** Chlorhexidine gluconate skin cleansers will cause stains if used with chlorine-releasing products. Rinse completely and use only non-chlorine detergents.
