CHEM-TEL: (800) 255-3924

MATERIAL SAFETY DATA SHEET**PRODUCT NAME:** Clean + Easy EZ Cream Bleach**DATE:** 1/27/2004**FORMULA:** 30-1906**REV.** NEW**Section 1. Material Identification and Information****Hazardous Ingredients:**

Component	CAS #	%	TOXICOLOGICAL DATA
Hydrogen Peroxide	7722-84-1		OSHA PEL: 1ppm ACIH TVL: 1ppm

Section 2. Physical / Chemical Characteristics

Boiling Point:	N/A	Specific Gravity:	N/A
Vapor Pressure:	Not Determined	(@ 25°C)	
(mm Hg and Temperature)		Melting Point:	N/A
Vapor Density:	Not Determined	Evaporation Rate:	N/A
(Air = 1)		Water Reactive:	N/A
Solubility in Water:	Partially Soluble		
Appearance:	White Cream		
Odor:	Non-Distinct Odor		

Section 3. Fire and Explosion Hazard Data

Flash Point and Method Used:	N/A
Auto-Ignition Temperature:	N/A
Flammability Limits in Air % by Volume:	LEL: N/A UEL: N/A
Extinguisher Media:	Use only water. Cool container with water spray.
Special Fire Fighting Procedures:	Flood with water. Wear full protective clothing including chemical splash goggles or hood and self contained breathing apparatus.
Unusual Fire and Explosion Hazards:	Strong oxidizer. Contact with clothing combustibles, or organic liquids/vapors may cause fire or explosions. Follow appropriate National Fire Protection Association codes.

Section 4. Reactivity Hazard Data**Stability:** ☒ Stable ☐ Unstable**Conditions to Avoid:** Heat or contamination.**Incompatibility (Materials to Avoid):**

Incompatible with most flammables/combustibles, cyanides, nitric acid, potassium permanganate, and other oxidizing and reducing agents.

Hazardous Decomposition:

The solution may decompose violently with heat. May react with rust, dirt, dust, iron, copper, heavy metals, or their salts, alkalis, and with organic materials.

MATERIAL SAFETY DATA SHEET**PRODUCT NAME:** Clean + Easy EZ Cream Bleach**DATE:** 1/27/2004**FORMULA:** 30-1906**REV.** NEW**Hazardous Polymerization:**☐ May Occur☒ Will Not Occur**Section 5. Health Hazard Data****Primary Routes of Entry:**☒ Inhalation☒ Skin Absorption☐ Ingestion☐ Not Hazardous**Carcinogen Listed In:**☐ NTP☐ IARC Monograph☐ OSHA☒ Not Listed**Health Hazards:**

Acute:

Irritation of the skin, eyes, mucous membranes, and upper gastrointestinal tract.

Chronic:

Gross overexposure may cause eye damage, bleaching of skin or hair. Nausea, vomiting, or diarrhea may occur when ingested in gross amounts.

Signs and Symptoms of Exposure:

Same as health hazards.

Medical Conditions Generally Aggravated by Exposure:

Individuals with preexisting diseases of the skin, eyes, or lungs may have increased susceptibility to the toxicity of excessive exposures.

Emergency First Aid Procedures:

Eye Contact:

Immediately flush with plenty of water for at least 15 minutes,

Skin Contact:

Flush with water and remove and wash contaminated clothing, call a physician.

Inhalation:

Not applicable.

Ingestion:

Do not induce vomiting. Give large quantities of water.

Section 6. Control and Protective Measures**Respiratory Protections (Specific Type):**

Not applicable under normal conditions

Protective Gloves:

None for normal use. Use for bulk quantities.

Eye Protection:

Avoid contact. None needed for normal use. For bulk quantities use chemical splash goggles.

Ventilation to be Used:

Good normal ventilation.

Other Protective Clothing and Equipment:

Avoid contact. None needed for normal use. For bulk quantities have eyewash and safety shower available.

Hygienic Work Practices:

Follow product instructions.

MATERIAL SAFETY DATA SHEET**PRODUCT NAME:** Clean + Easy EZ Cream Bleach**DATE:** 1/27/2004**FORMULA:** 30-1906**REV.** NEW**Section 7. Precautions for Safe Handling and Use / Leak Procedures****Steps to be Taken if Material is Spilled or Released:**

Flood area with water and drain into approved wastewater treatment system.

Waste Disposal Methods:

Comply with Federal, State, and Local Regulations.

Precautions to be taken in Handling and Storing:

Store in cool, ventilated area.

Other Precautions and/or Special Hazards:

Do not add any other product to container. Rinse empty containers thoroughly before discarding.
