

MATERIAL SAFETY DATA SHEET

(MSDS Sheet is in compliance with 29CFR 1910.1200)

Manufacturer:
IMEB INC.
170 Vallecitos De Oro, Suite A
San Marcos, CA 92069
Chemtrec: 800-424-9300

Date Prepared: 12/03/98
CAT #: K7294-5

Product Trade name: Aniline Blue Stain Solution
Product Description: Masson Modified IMEB Trichrome Stain Kit Component

Section I Hazardous Composition Information

Hazardous Components	CAS No.	OSHA PEL	ACGIH / TLV	TWA
----------------------	---------	----------	-------------	-----

This product does not contain hazardous chemicals in compliance with 29 CFR 1910.1200. This product does not contain any known harmful chemicals known to be a Carcinogen or cause reproductive harm in statue to Federal and State regulations.

Section II Physical and Chemical Characteristics

Specific Gravity: 1.0 (water = 1.0)@ 77 F
Solubility in Water : Soluble
SP. Gravity of Vapor: n/a
Evaporation Rate (n-Bu Acetate = 1): n/a
Vapor Pressure: n/a
Viscosity : n/a
Boiling Point: 100 C

Color: Blue **Odor:** Odorless **State:** Liquid

Section III Stability and Reactivity

Stability: Stable
Conditions to Avoid : n/a
Hazardous Polymerization: Will not occur
Incompatible Materials: Strong Acids, Strong Bases, Chlorine by-products.
Hazardous Decomposition Products: Products of biodegradation are Carbon Monoxide

Section IV Fire and Explosion Data

Flashpoint: Non-flammable
Flammable Limits: **LEL:** n/a **UEL:** n/a
Autoignition Temperature: n/a
Extinguishing Media: Foam, Dry Chemical, Water Spray, CO2;
Special Fire Fighting Procedure: n/a
Decomposition Products Under Fire Conditions: n/a

Section V Health Hazard Data**Acute Health Effects:**

Eye Contact: No eye irritation hazard identified from available data

Skin Contact: No skin irritation hazard identified from available data

Inhalation: No inhalation hazard identified from available data

Ingestion: No ingestion hazard identified from available data

Chronic Health Effects:

Eye Contact: Prolonged and repeated contact to eyes may cause slight irritation

Skin Contact: No skin irritation hazard identified from available data

Inhalation: No inhalation hazard identified from available data

Ingestion: No ingestion hazard identified from available data

Medical Conditions Aggravated by Exposure: n/a

Section VI Emergency First Aid Procedures

Eye Contact: Flush eye with copious amounts of water or saline solution. Seek Medical Attention.

Skin Contact: Wash contact area with soap and water

Inhalation: Not expected to present a significant hazard under anticipated conditions of normal use

Ingestion: Not expected to present immediate significant ingestion hazard. Seek medical attention.

Section VII Spill, Disposal and Storage Methods

Accidental Spill: Immediately inform employees. Wear gloves and goggles and absorb spill with absorbent material. Spill area can be washed with soap and water.

Waste Disposal: All waste must be disposed in accordance to local, state, and federal regulations.

Storage: Store in original container or LDPP, HDPE or any plastic container. Store at room temperature.

Section VIII Personal Protection and Handling

Ventilation: No special ventilation is recommended under anticipated conditions of normal use.

Respiratory Protection: No special respiratory protection is recommended under anticipated normal use.

Eye Protection: Wear goggles or splash resistant eyewear.

Protective Gloves: Wear latex gloves or impermeable protective gloves.

Other Protective Clothing or Equipment: No special clothing or equipment is necessary under anticipated conditions of normal use beyond needed for normal comfort and safety control.

Hygienic Practices: Wash hands before meals or breaks.

Federal and State Regulations: None
