

Safety Data Sheet (SDS)
LakeField Hanging Air Fresheners

1. Product and Company Information

Product: LakeField Deer Hanging Air Freshener
LakeField Duck Hanging Air Freshener

Product Use: Automotive Air Freshener

Manufacturer:
CAR-FRESHNER Corporation
21205 Little Tree Drive
Watertown, NY 13601

Telephone number: (315) 788 - 6250

Transportation Emergency Number: (315) 786 - 4026

2. Hazard(s) Identification

Classification: None

Signal Word: None

Hazard Statement(s): None

Symbol(s): None

Precautionary statement(s): None

3. Composition

<u>Chemical Name</u>	<u>CAS Number</u>	<u>Percent</u>
Polyvinyl Chloride	9002-86-2	90%
Benzyl Benzoate	120-51-4	5 – 6 %

4. First Aid Measures

Eye Contact: Flush with water for 15 minutes.

Skin Contact: Wash affected area.

Inhalation: Remove to fresh air.

Ingestions: Do not induce vomiting.

If irritation persists, seek medical attention.

5. Fire Fighting Measures

Extinguishing Media: Carbon dioxide, dry chemical, mist or water spray.

Hazardous Combustion Products: In the event of a fire, PVC may decompose to give off carbon monoxide, carbon dioxide, and hydrogen chloride as gases and smoke.

Fire Fighting Equipment: Wear full-face, self-contained breathing apparatus and impervious clothing (such as gloves, hoods, suits, and boots).

6. Accidental Release Measures

Containment: There are no special measures to be taken.

Clean-up Procedures: There are no special measures to be taken.

Special Instructions: None

7. Handling and Storage

Safe Handling Precautions: None

Safety Storage Precautions: None

8. Exposure Controls / Personal Protection

Exposure Limits: None established

Engineering Controls: None

Personal Protection: None

Eye/Face:

Skin:

Respiratory:

General:

9. Physical and Chemical Properties

Appearance: PVC hanging scented ornament with characteristic aroma

Odor: Pleasant characteristic aroma

pH: Not applicable

Melting point/freezing point: Not determined

Initial boiling point: Not applicable

Flash Point: Not applicable

Lower Explosive Limit (LEL): Not applicable

Upper Explosive Limit (UEL): Not applicable

Evaporation Rate: Not determined

Flammability (solid,gas): Not determined

Vapor Pressure: Not determined

Vapor Density: Not determined

Relative Density: Not determined

Solubility: Incomplete in water

Specific Gravity: Not applicable

Partition coefficient (n-octanol/water): Not determined

Auto-ignition temperature: Not determined

Decomposition temperature: Not determined
Viscosity: Not determined

10. Stability and Reactivity

Reactivity:
Stability: Stable under normal conditions
Possibility of Hazardous Reactions: None determined
Conditions to Avoid: None determined
Incompatibility: None
Hazardous Decomposition Products: Burning can produce carbon monoxide, carbon dioxide, and hydrogen chloride as gases and smoke.

11. Toxicological Information

Routes of Exposure and Potential Health Effects

Eye: Contact may cause irritation
Skin: Contact may cause irritation
Inhalation: Product does not lend itself to inhalation
Ingestion: Product can be harmful if swallowed

Toxicity Data

Acute Toxicity:
Skin Corrosion/Irritation: Contact may cause irritation to the skin
Chronic Effects:

Carcinogenicity: *This product is not listed as a carcinogen by ACGIH, IARC, NIOSH, NTP, CARB or OSHA.*

12. Ecological Information

Ecotoxicity:
No known adverse ecological effects

13. Disposal Considerations

Follow Federal, State, and Local Guidelines for proper waste disposal.

14. Transport Information

Technical Name: This product is not regulated
UN Number:
UN Pack Group:
UN Class:
ICAO/IATA Class:
IMDG Class:
Shipping Name:
DOT Hazard Class:

15. Regulatory Information

TSCA: *The components of this product are not on the Toxic Substance Control Act (TSCA) Inventory.*

California Proposition 65: *This product does not contain any Proposition 65 chemicals.*

This safety data sheet has been created in accordance with the following:

OSHA's 2012 Hazard Communication Standard
Canada's Controlled Products Regulations

Not dangerous according to the Dangerous Preparations Directive

16. Other Information

The information on this MSDS was obtained from current and reliable sources. However, the data is provided without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for use, and to assume liability for loss, injury, damage, or expense resulting from improper use of this product.
