This letter is to acknowledge receipt of your request for MSDS/SDS for Mrs. Wages Canning & Pickling Mix Vinegar, product number W654-98425.

In accordance with the OSHA Hazard Communication Standard, 29CFR 1910.1200, The standard is intended to address comprehensively the issue of evaluating the potential hazards of chemicals and communicating information concerning hazards and appropriate measures to employees.

One or more of the items listed on your request form is excepted from the MSDS/SDS requirement as per section (a)(6) of the regulation. As defined in (c) Definitions, **Hazardous chemical** means any chemical, which is a physical hazard or a health hazard. If an item does not meet the definition of a **hazardous chemical**, or is otherwise excepted from the MSDS/SDS requirement, no MSDS/SDS will be available for distribution.

Article means a manufactured item other than a fluid or particle which is formed to a specific shape or design which under normal conditions of use does not release more than very small quantities (e.g., trace or minute amounts) of a hazardous chemical and does not pose a physical hazard or health risk to employees.

I trust this information has been helpful.

You may forward this letter, at your discretion, to explain why select MSDS/SDS requests were not fulfilled.
