

# MATERIAL SAFETY DATA SHEET

THE CHAMPION COMPANY  
400 Harrison Street  
Springfield, Ohio 45505  
EMERGENCY TELEPHONE NO. (937) 324-5681  
CHEMTREC: (800) 424-9300 (Spill, Leak, Fire, Exposure or Accident)

HAZARD RATING  
Health 1  
Fire 1  
Reactivity 0  
Special 0

## I. PRODUCT INFORMATION

General Type: Wax for restorative use  
Trade Name: Plastic surgery wax

## II. HAZARDOUS INGREDIENTS

| <u>MATERIAL (CAS)</u> | <u>%</u> | <u>OSHA PEL<br/>TWA/STEL (15)</u> | <u>ACGIH TLV<br/>TWA/STEL (15)</u> |
|-----------------------|----------|-----------------------------------|------------------------------------|
| N/A                   |          | N/A                               | N/A                                |

## III. PHYSICAL DATA

|   |  |  |           |
|---|--|--|-----------|
| Boiling Point , 760 mm Hg               | N/A  | Freezing point                               | N/A       |
| Specific Gravity (H <sub>2</sub> O = 1) | N/A  | Vapor Pressure at 20°                        | N/A       |
| Vapor Density (air = 1)                 | No data  | Solubility in water, %<br>% by wt. At 20° C. | Insoluble |
| Percent Volatiles<br>By Volume          | NIL  | Evaporation Rate<br>(Butyl Acetate =1)       | NIL       |
| Appearance and odor                     | Soft, moldable composition with pleasant odor. |  |           |

## IV. FIRE AND EXPLOSION HAZARD DATA

|                                     |                                    |
|-------------------------------------|------------------------------------|
| Flash Point                         | NONE                               |
| Flammable Limits In Air             | — —                                |
| Extinguishing Media                 | Foam, dry chemical, carbon dioxide |
| Special Fire Fighting<br>Procedures | NONE                               |
| Unusual Fire and Explosion Hazard   | NONE                               |

## V. HEALTH HAZARD DATA

|                         |   |
|-------------------------|---|
| Threshold Limit Value   | See Part II   |
| Effects of Overexposure | If swallowed may cause irritation. Eye contact may cause irritation.<br>Excessive skin contact may cause irritation.        |
| Emergency and First Aid | Contact physician immediately if ingested. If eye/skin irritation, flush with water.<br>Get medical attention if necessary. |

## VI. REACTIVITY DATA

|                          |                         |
|--------------------------|-------------------------|
| Stability                | Product is stable       |
| Conditions to Avoid      | High Temperatures, Fire |
| Incompatibilities        | Chemically unreactive   |
| Hazardous Polymerization | Will not occur          |

---

## VII. SPILL OR LEAK PROCEDURES

|                        |     |
|------------------------|-----|
| If Material is Spilled | N/A |
| Waste Disposal Method  | N/A |

---

## VIII. SPECIAL PROTECTION INFORMATION

|                            |                           |
|----------------------------|---------------------------|
| Respiratory Protection     | None Needed               |
| Local Ventilation          | Preferred                 |
| Mechanical Ventilation     | Acceptable if necessary   |
| Special Ventilation        | Not normally required     |
| Other Ventilation          | Not normally required     |
| Protective Gloves          | Plastic gloves if desired |
| Eye Protection             | _____                     |
| Other Protective Equipment | None needed.              |

---

## IX. SPECIAL PRECAUTIONS

No special precautions necessary.

---
