

Material Safety Data Sheet

Flexo Products Limited 4777 Kent Avenue, Niagara Falls, ON L2H 1J5
 Phone: (905) 354-2723 Fax: (905) 354-1301 Web Site: www.flexoproducts.com

Razz

Use: Water-Based Floor Impregnator

Code: FH481J

Date of MSDS: December 1, 2014

WHMIS: D, 2B

TDG: Not Regulated

HMIS: Health - 2, Flammability - 0, Reactivity - 0, PPE - B

Emergency Telephone # CANUTEC 613-996-6666

I - HAZARDOUS INGREDIENTS

Chemical Name	Wt/Wt %	CAS #	LD50 (mg/kg)	LC50
There are no components in this material at concentrations above				
LC that are considered hazardous under 29CFR1910.1200,				
WHMIS				

II - PHYSICAL DATA

Physical State: liquid	Viscosity: water thin	Vapour Pressure: not available
Oil/Water Factor: not available	Appearance: milky white	pH: 8.0-9.5
Vapour Density: similar	Evaporation Rate: similar	Odour: mild acrylic
Specific Gravity: 1.10 ± 0.05	Boiling Point (°C): 96 (212°F)	Odour Threshold: not available
Freezing Point (°C): not available		

III - FIRE AND EXPLOSION DATA

Conditions of Flammability: not flammable	UFL: not applicable
Flash Point and Test Method: not applicable	LFL: not applicable
Sensitivity to Static Discharge or Mechanical Impact: not available	Auto-Ignition Temperature: not available
Hazardous Combustion Products: toxic fumes and oxides of carbon	
Means of Extinction: Treat for surrounding material. Water Spray, foam, carbon dioxide or dry powder.	

IV - REACTIVITY DATA

Hazardous Decomposition Products: not applicable	Conditions of Chemical Instability: stable
Incompatible Substances: strong acids, strong oxidizing agents	Conditions of Reactivity: not applicable
Storage Requirements: store in closed containers away from incompatible materials	

V - TOXICOLOGICAL PROPERTIES

Route(s) of Entry: skin, eyes, ingestion, inhalation	Sensitization: not available
Synergistic Materials: not available	Irritancy of Product: irritant
Acute Effects	Chronic Effects
Eye: contact can cause irritation	Carcinogen: non-irritating due to test data
Skin: not applicable	Teratogen: not available
Inhalation: vapour or mist may be harmful	Mutagen: not available
Ingestion: may cause vomiting, headache & medical problems	Reproductive Toxin: not available
Prolonged or Repeated Exposure - Skin: prolonged/repeated exposure may cause irritation, drying, defatting & dermatitis	

VI - FIRST AID MEASURES

Eye Contact:	Immediately flush with water for 15 minutes. If irritation persists, contact a physician.
Skin Contact:	Immediately flush with water for 15 minutes. Contact a physician if irritation develops.
Inhalation:	Remove to fresh air. If symptoms persist, contact a physician.
Ingestion:	Do not induce vomiting. Rinse mouth with water, then drink one glass of water. Contact a physician immediately. Never give anything by mouth if victim is unconscious, is rapidly losing consciousness or is convulsing.

VII - PROTECTIVE EQUIPMENT

Personal Protective Equipment:	
Eyes:	not normally required
Skin:	impermeable gloves suggested for those with sensitive skin
Respiratory:	not normally required if good ventilation is maintained
Ventilation: general ventilation normally adequate	

VIII - SPECIAL MEASURES

For Leaks or Spills:	Small spills may be absorbed with non-reactive absorbent and placed in suitable, covered, labeled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice.
Waste Disposal:	Review all Federal, Provincial and local regulations prior to disposal.

This document has been prepared using data from sources considered technically reliable. It does not constitute a warranty, express or implied, as to the accuracy of the information contained within. Actual conditions of use and handling are beyond seller's control. User is responsible to evaluate all available information when using product for any particular use and to comply with all Federal, State, Provincial and Local laws and regulations.
