Re: Regulation: 29 CFR 1910.1200

Dear Mr. Reynolds:

You requested a material safety data sheet for Procalamine manufactured by B. Braun.

We are pleased to inform you that this particular B. Braun does not contain any hazardous chemicals or harmful physical agents as defined by the Hazard Communication Standard (29 CFR 1910.1200).

This information is provided independently of any sale of product and is not intended to constitute product performance information, and no express or implied warranty of any kind is made with respect to the product, underlying data or the information contained herein. Further, this information is not intended to provide specialist advice or instructions regarding the products and services sold by B. Braun.

Mr. Reynolds, if further assistance is needed, please call our Clinical and Technical Support department at (800) 854-6851.

Sincerely,
