

## SAFETY DATA SHEET

### Stokoderm Aqua Pure

#### 1. Identification

##### Product identifier

**Product name** Stokoderm Aqua Pure

**Product number** SAQ100ML-US,SAQ1L-US

##### Recommended use of the chemical and restrictions on use

**Application** Pre-work, water-resistant protective cream.

##### Details of the supplier of the safety data sheet

**Supplier** Deb USA, Inc.  
2815 Coliseum Centre Drive, Suite 600  
Charlotte, North Carolina 28217 USA  
800-248-7190

**Manufacturer** Deb-Stoko USA LLC  
2408 Doyle Street  
Greensboro NC 27408 USA

##### Emergency telephone number

**Emergency telephone** (800) 424-9300 CHEMTREC (North America) (703) 527-3887 CHEMTREC (International, call collect)

#### 2. Hazard(s) identification

##### Classification of the substance or mixture

**OSHA Regulatory Status** This Product is Not Hazardous under the OSHA Hazard Communication Standard.

**Physical hazards** Not Classified

**Health hazards** Not Classified

**Environmental hazards** Not Classified

##### Label elements

**Hazard statements** NC Not Classified

#### 3. Composition/information on ingredients

##### Mixtures

**INCI** Aqua (Water), Paraffinum Liquidum ,ISOPROPYL PALMITATE, Cetearyl Alcohol, POLYGLYCERYL-2 DIPOLYHYDROXYSTEARATE, Propylene Glycol, CETEARYL GLUCOSIDE, C 12-15 ALKYL BENZOATE, Stearic Acid, Bisabolol,Petrolatum, HAMAMELIS VIRGINIANA WATER, 1,2-HEXANEDIOL, PEG-30 DIPOLYHYDROXYSTEARATE, PEG-40 Stearate, Caprylyl Glycol, Tropolone,Alcohol

#### 4. First-aid measures

##### Description of first aid measures

**Ingestion** Get medical attention immediately.

|                                                                           |                                                                                                                                                           |
|---------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Skin Contact</b>                                                       | None                                                                                                                                                      |
| <b>Eye contact</b>                                                        | In case of contact, immediately flush eyes with large amounts of water, continuing to flush for 15 minutes. If irritation persists get medical attention. |
| <b>Protection of first aiders</b>                                         | None                                                                                                                                                      |
| <b><u>Most important symptoms and effects, both acute and delayed</u></b> |                                                                                                                                                           |
| <b>General information</b>                                                | None.                                                                                                                                                     |

### 5. Fire-fighting measures

#### Extinguishing media

**Suitable extinguishing media** Water spray, foam, dry powder or carbon dioxide.

#### Special hazards arising from the substance or mixture

**Specific hazards** Not applicable.

#### Advice for firefighters

**Protective actions during firefighting** No specific firefighting precautions known.

### 6. Accidental release measures

#### Personal precautions, protective equipment and emergency procedures

**Personal precautions** Take care as floors and other surfaces may become slippery.

#### Environmental precautions

**Environmental precautions** The product is not expected to be toxic to aquatic organisms.

#### Methods and material for containment and cleaning up

**Methods for cleaning up** Shovel into dry containers. Cover and move the containers. Flush the area with water.

### 7. Handling and storage

#### Precautions for safe handling

**Usage precautions** no special requirements

#### Conditions for safe storage, including any incompatibilities

**Storage precautions** no special requirements

#### Specific end uses(s)

**Specific end use(s)** The identified uses for this product are detailed in Section 1.2.

### 8. Exposure Controls/personal protection

#### Exposure controls

**Eye/face protection** No specific eye protection required during normal use.

**Hand protection** Not applicable.

**Hygiene measures** No specific hygiene procedures recommended but good personal hygiene practices should always be observed when working with chemical products.

### 9. Physical and Chemical Properties

#### Information on basic physical and chemical properties

**Appearance**

## Stokoderm Aqua Pure

|                  |                    |
|------------------|--------------------|
| Color            | White / off-white. |
| pH               | 5.0 - 6.0 (10%)    |
| Relative density | approx. 1.00       |

### 10. Stability and reactivity

|                                    |                                         |
|------------------------------------|-----------------------------------------|
| Reactivity                         | Stable under normal conditions          |
| Stability                          | Stable at normal ambient temperatures.  |
| Possibility of hazardous reactions | No information available                |
| Conditions to avoid                | Keep at temperature not exceeding 40°C. |
| Materials to avoid                 | No information available                |

### 11. Toxicological information

#### Information on toxicological effects

|                       |                           |
|-----------------------|---------------------------|
| Toxicological effects | No information available. |
|-----------------------|---------------------------|

### 12. Ecological Information

#### Toxicity

|          |                 |
|----------|-----------------|
| Toxicity | Not applicable. |
|----------|-----------------|

#### Persistence and degradability

|                               |                    |
|-------------------------------|--------------------|
| Persistence and degradability | No data available. |
|-------------------------------|--------------------|

#### Bioaccumulative potential

|                            |            |
|----------------------------|------------|
| Bio-Accumulative Potential | Not known. |
|----------------------------|------------|

#### Mobility in soil

|          |            |
|----------|------------|
| Mobility | Not known. |
|----------|------------|

#### Results of PBT and vPvB assessment

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| Results of PBT and vPvB assessment | This product does not contain any substances classified as PBT or vPvB. |
|------------------------------------|-------------------------------------------------------------------------|

#### Other adverse effects

|                       |            |
|-----------------------|------------|
| Other adverse effects | Not known. |
|-----------------------|------------|

### 13. Disposal considerations

#### Waste treatment methods

|                     |                                                                                  |
|---------------------|----------------------------------------------------------------------------------|
| General information | Dispose of waste product or used containers in accordance with local regulations |
|---------------------|----------------------------------------------------------------------------------|

### 14. Transport information

|         |                                                                                                                |
|---------|----------------------------------------------------------------------------------------------------------------|
| General | The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DoT). |
|---------|----------------------------------------------------------------------------------------------------------------|

#### UN Number

Not applicable.

## Stokoderm Aqua Pure

**UN proper shipping name**

Not applicable.

**Transport hazard class(es)**

No transport warning sign required.

**Packing group**

Not applicable.

**Environmental hazards****Environmentally Hazardous Substance**

No.

**Special precautions for user**

Not applicable.

**Transport in bulk according to** Not applicable.  
**Annex II of MARPOL 73/78**  
**and the IBC Code**

**15. Regulatory information**

**Regulatory Status** This product is manufactured and labeled in compliance with the Federal Food, Drug, and Cosmetic Act, and is exempt from the labeling requirements of the OSHA Hazard Communication Standard.

**16. Other information**
