4. FIRST AID MEASURES**Description of necessary first-aid measures****Eye Contact**

Do not rub eyes. Wash eyes under slowly running water for at least fifteen minutes, making sure eyes are held wide open and moved slowly in every direction. Ensure no solid particles remain in crease of eyelids. If so, continue to wash. If irritation persists, consult an ophthalmologist.

Skin Contact

Remove from source of irritation. Remove contaminated clothing and wash affected area thoroughly with mild soap and water. Wash contaminated clothing before reuse.

Inhalation

Remove to fresh air immediately. Do not permit exposed person to remain in dusty environment without adequate respiratory protection. Treat metal fume fever with bed rest and treat for fever and pain.

Ingestion

Treat symptomatically. If bowel obstruction occurs, immediately consult a physician.
